

Online Construction Classes

Textbook List

Students in our online construction classes can order their required course books by visiting the SDSU Bookstore's **Ship-to-Home page**.

1. From the Ship-to-Home page, accept the terms and conditions;
2. Select **SDSU Global Campus – [current term]**
3. Select the department: **Engineering**
4. Select the course number
5. Select (any of) the section(s) listed

This will show you the textbook for the class and you can proceed with your purchase.

You are welcome to purchase your textbooks from other vendors, but many students find the SDSU site to be most convenient and our bookstore always stocks the correct editions.

Course List
